

# EPSILON SIGMA PHI

## **Focuses on commonalities**

ESP brings together Extension professionals and retirees from all disciplines, levels of administration, Extension faculty status and support services.

## **Unifies Extension professionals in voice and purpose**

ESP forges bonds among Extension professionals who care about their organization and its future.

## **Recognizes excellence**

ESP honors its members and outstanding friends with awards and scholarships.

## **Increases your value**

ESP offers opportunities to

-Improve your skills as educator/facilitator

-Enhance your leadership abilities through professional development at local regional and national conferences.

## **Share Your Experience and Expertise**

- \* Impact the Extension system by exhibiting your leadership
- \* Promote Cooperative Extension as a whole
- \* Connect Cooperative Extension's past to its future
- \* Exhibit your leadership by serving on Chapter and National committees
- \* Present workshops at the National Conference
- \* Tackle challenges of a changing organization together
- \* Network with colleagues from across the Cooperative Extension system
